OBRIGADO! Спасибо!

Our Pasta Dinner was a tremendous success thanks to so many people who worked in helping to prepare the dinner and then serve the dinner. To all who helped me in any way I offer you my sincerest thanks and blessings!

The decorations were beautiful. The food was DELICIOUS. The deserts were delectable. The company was the greatest.

We served almost more than a 1,000 dinners!! I also want to thank all the Vendors who donated tomatoes, cheese, olive oil, pasta, lettuce, parsley, eggs, basil, onions, garlic and the 250 lbs. of ground beef, veal, pork and sausage, etc.

Please patronize these good people who were extremely generous.
