

Dear Parishioners, Visitors and Friends:

The Annual Christmas Tree Program in the Parish is where your loved ones, Living or Deceased, can be remembered at Christmas and at the same time it affords you the opportunity to partake in enhancing our Christmas decorations with a personal family message.

Your participation will provide you with a beautifully lit five-foot Christmas Tree which will be placed on the Church property and mounted with a plaque containing your own special commemoration—the name of your loved ones memorialized or your personal family Christmas greeting.

There will be a special tree lighting ceremony after the 4:30 PM Mass on Saturday December 15th. Please plan on being there for the lighting (whether or not you purchase a tree) and enjoy cookies and hot chocolate with your Parish Family.

The trees will be lit every evening during the Christmas Season until the Feast of the Epiphany on January 6, 2019. The cost of each Christmas tree is \$100 which will cover the expense of the trees and the lighting.
