

Dear Parishioners,

Starting in January 2021 we will be implementing a new system regarding the way you receive the Parish contribution envelopes. This change is a result of multiple complaints we have received over the years from Parishioners who were not receiving their envelopes on time and in many instances, not receiving them at all. Also, this approach will represent a great saving to the Parish expenditures.

Parishioners presently using envelopes will pick up their boxed set containing the contribution envelopes for the entire year. As always, the Christmas, Easter, flower offering envelopes and the schedule of Services will be mailed separately to all Parish members.

The 2021 boxed sets will be labeled with our Parishioner's name and address and placed on tables in the Gathering Area of the church during the months of November and December, 2020.

If you are presently using envelopes please note that your current envelope number might or might not change. Also, if you are presently not using envelopes and will like to receive them, please call the Parish office ASAP as we are in the midst of preparing for the change.
