

All parishes of the Diocese of Camden have been invited to participate in a diocesan initiative. The purpose of this initiative is to help us to embrace Christ's vision for missionary discipleship so our parish can thrive and be a better place for others to grow together in faith.

The very first step in this process involves **assessing our greatest strengths and opportunities**, and that is where the **Disciple Maker Index (DMI)** comes in! The DMI is an important survey tool that invites you to reflect on your discipleship journey. The Disciple Maker Index is designed to:

- *Invite parishioners to reflect on their journey of discipleship.
- *Enable parish leadership to make data-driven decisions.
- *Help parishioners grow in their faith.

The 10-15-minute survey can be accessed through an online link. It will ask you to reflect on your own spiritual growth and enable you to provide your perspective on our parish's efforts to help you grow in relationship with Christ. All responses will be confidential, and the parish will only receive information about the community as a whole. We will share the link with you a bit closer to the launch of the survey. Paper surveys will also be available for those who do not have the ability to complete the survey online.

I invite each member of our parish family here at St. Gianna to participate in this important survey. Together we must embrace Christ's vision for missionary discipleship so our parish can thrive and be a better place for others to grow together in faith.

Thank you for helping with this important project and please continue to pray for this intention and for the growth and protection of our parish.

Father Anthony
